## HIGH SCHOOL STUDENT IN EXCITING ESCAPE

**Vernon Hodze Makes Midnight Raid  
On Armory and Dashes to  
Mountains.**

OGDEN, Feb. 7.—Vernon Hodze, a high school student, created considerable excitement during the midnight hours on Friday night and early Saturday morning by stealing several army rifles and revolvers from the armory and with a horse, procured at the Everett livery stable, dashed away to the hills, where he enacted a typical wild west performance. Young Hodze, who bears a good reputation among his fellows, seems to be the victim of a peculiar hallucination regarding firearms and has often expressed a desire to join the militia so that he could handle a gun freely. On Friday night he forced an entrance to the armory on Twenty-fourth street and with the aid of an ax, battered in the door to the quarter-master's department, where he armed himself "to the teeth" with rifles, revolvers and ammunition. At about this stage of the action, Janitor Hughes entered the building and hearing an unusual noise proceeded to investigate. When he was suddenly confronted by young Hodze with pointed rifle, who ordered him to leave the building at once. Hughes obeyed and ran to the nearest telephone, where he communicated the news to Capt. Kneass of the local N. G. U. Before Mr. Kneass arrived, Hodze had made his escape, going to the Everett stable on Washington avenue, where he demanded a horse and saddle. Mounting, he rode to Taylor's canyon, about four miles from the center of town, where he spent the greater part of the night in an old cabin. The neighboring rocks and tree stumps were used for targets and probably in his wild imagination, Hodze took them for painted savages and outlaws. After using all his ammunition, he returned to the city, where he was at once arrested and taken to the police station. After closely questioning the boy, the officers allowed him to depart for home and it has not been determined just what action will be taken in his case.

## NEW FRATERNAL ORDER.

OGDEN, Feb. 7.—Ogden cabin No. 32 of the Fraternal Order of Mountaineers was organized with a charter membership of 75 at the I. O. O. F. hall on Friday evening. The Mountaineers is a western organization, organized at Billings, Mont., in 1905. The officers elected and installed were Charles Wappler chief mountaineer; Chris Sorenson, vice chief mountaineer; James S. Brown, past chief mountaineer; Walter Compton, secretary; Mrs. Carrie Zimmerman, chaplain; Mrs. Maybel Moon, lady mountaineer; Mrs. Adeline Greenwell, lady almoner; Mrs. Maggie Sherman, lady guide; William C. Barker, gentleman guide; William C. Barker, Emanuel J. Bradshaw, sentinal; Ernest L. Dowling, John Kennedy and Dr. G. W. Green, trustees.

## MRS. RICE WINS SUIT FOR CHILDREN

OGDEN, Feb. 7.—Late Saturday afternoon, the suit brought by Joseph L. Rice against his former wife, Mary Rice, was concluded and the custody of two minor children was awarded to Mrs. Rice, as before. The case has been before the district court for the past two weeks, during which time charges of a very sensational nature were made by each of the contestants in the action. Mrs. Rice secured a divorce about a year ago from her husband on the grounds of cruelty and abuse, and at that time was given the custody of the children and granted alimony in the sum of \$10 monthly. Some time later Rice filed charges of unfitness and cruelty against his former wife, at the same time kidnapping the children, whom he has kept ever since. He also asked for the custody of the children and petitioned the court to release him from the payment of further alimony to Mrs. Rice. She in turn asked that the alimony be increased to \$25 per month. In passing his decision in the case, Judge Howell confirmed his former decision made at the time the interlocutory decree of divorce was granted, with the exception that Mrs. Rice will be compelled to report to the court the condition of the children each month. This is to continue for eight months at which time the court will determine whether the children are to remain permanently with their mother.

## ABSOLUTE DIVORCE DECREES.

OGDEN, Feb. 7.—The usual six month's time having elapsed since in-

## All Physicians

Must prescribe some of the ingredients that are contained in Hood's Sarsaparilla for all troubles of the blood, stomach, kidneys and liver. They include sarsaparilla, stillingia, yellow dock, gentian, wild cherry bark, mandrake, dandelion, juniper berries, pipsissewa, etc. The combination and proportions are our own formula and give power to cure beyond the reach of any other prescription. There is no real substitute for it. If urged to buy any preparation said to be "just as good" you may be sure it is inferior, costs less to make, and yields the dealer a larger profit. Get it today in the usual liquid form or in chocolate tablet form called Sarsapabars, 100 Doses One Dollar. Prepared only by C. I. Hood Co., Lowell, Mass., U. S. A.

terlocutory decrees of divorce were granted, in the following cases, Judge Howell made those decrees final and absolute on Saturday afternoon, at the request of the plaintiff in each case:

Mary Heyman against Harry H. Heyman. The court also restored Mrs. Heyman's maiden name, Mary Schillo. Mary T. Lewis against John Wayne Lewis. Mrs. Lewis' maiden name, Mary L. Holbrook was also restored. John H. Thompson against Nellie Thompson.

## REPORTS ON CITY PARKS OF OGDEN

OGDEN, Feb. 7.—In their report for 1909, the Ogden city park commissioners show that it cost the city \$5,208.22 to maintain and improve its public grounds during the year and that there remains a balance of \$386.50 left in the treasury toward the proposed improvements for the year 1910. Supt. of City Parks B. Van der Schuit, recommends some very badly needed improvements for this year and estimates that it will cost exactly \$15,628 to carry on these improvements and maintain the parks during 1910. The expenditures are to be made as follows: City hall park, \$1,891; Liberty park, \$2,600; care of parks, \$5,595; miscellaneous, \$4,140. Total, \$15,628.

## USE OF STEAM ON LINCOLN AVENUE STOPPED

OGDEN, Feb. 7.—Contrary to instructions from the city council, the Salt Lake & Ogden Railroad company has been using a steam engine to pull its cars along Lincoln avenue on the first train each morning and therefore the indignation property owners in that vicinity brought the matter to the attention of the council and the practice was at once ordered stopped. At the time a franchise was granted for the use of steam on Lincoln avenue, but so strong a protest arose from the citizens that this privilege was absolutely denied. Several times since the railroad people have petitioned the council to allow the temporary use of steam, pending the completion of the electric power house at Lagoda, and each time the requests have been turned down. It has been feared by property owners that if any concession was granted to the railroad, it would be the first step toward their privileges and that finally the use of steam would be the regular means of transportation in the city. Mr. Simon Bamberger, president of the committee, has denied these rumors and now states that within a very few weeks the entire line from Salt Lake to Ogden will be operating with electric power.

## MRS. ELMER CONVALESCING.

OGDEN, Feb. 7.—The many friends of Mrs. Edna Elmer, who recently underwent an operation at the Ogden general hospital for appendicitis, will be pleased to learn that her condition is entirely satisfactory and that she will be able to leave that institution in a few days.

## FIELD FOR FORGERY.

OGDEN, Feb. 7.—Frank Murray, alias Frank Murphy was arraigned in police court Saturday morning charged with forging the name of Frank French to a check for \$20. His bail was fixed at \$250 and he was bound over to await the action of the district court.

## MANTI. ARRAPINE COMMERCIAL CLUB ELECTS OFFICERS

(Special Correspondence.)  
MANTI, Feb. 4.—Last evening the members of the Arrapine Commercial club of this city elected officers for the year just begun as follows: L. R. Anderson, president; E. D. Sorenson, vice president; John H. Horenburg, secretary; Frank L. Tuttle, treasurer; Christen Axelson, librarian; Peter F. Dyren, chairman finance committee; H. G. Brown, chairman social committee; Fred E. Keller, chairman commercial; Sam Levine, chairman house committee; John A. Hougaard, legislation; W. C. Snow, city affairs; membership, D. H. Robinson.

## PROVO.

The News is delivered by carrier every night (Sunday excepted) at 7 cents per month. All payments and complaints regarding delivery should be made to J. M. Blair, for Daily, Saturday and Semi-Weekly News, Ind. Phone 73-A. Orders taken for Church works, Residence 47 South First West Street. Carrier east side of Academy Ave. Ind. 102-A.

## INTERURBAN FRANCHISE INTERESTS MAY UNITE

**Evans-Chipman People Think One Road Only Will Be Built.**

(Special Correspondence.)  
PROVO, Feb. 7.—The representatives of the Evans-Chipman interurban railroad franchise appeared before the city council committee which is considering the franchise proposition, Saturday forenoon and presented their views on the question. Just what claims they advanced for their favor are not known, as Chairman Hinckley of the committee announced that the applicants desired newspaper men and the public to be excluded and their desire was complied with. The Evans-Chipman people Abel J. Evans, George W. Craig, S. S. Jones, John D. Dixon, Wm. L. Hayes, H. T. Reynolds, Arthur Taylor, J. J. Craner and D. R. Beebe and W. H. Brereton.

In the afternoon the same people met with the county commissioners, which granted a franchise to Jesse Knight last Thursday. The Evans-Chipman representatives claimed that there had been a misunderstanding on their part as to their being invited to attend Thursday's meeting. They had understood that the franchise matter would not be decided Thursday, but that Mr. Knight would be heard and that they would be heard on a later date. They asked that the order granting Mr. Knight a franchise be rescinded or that they also be granted a franchise. They claimed would place the two companies on an equal footing and aid in bringing them together to operate under one franchise and co-operate in building the road, as they admitted that it would not be profitable to build two roads and in fact did not think that two roads would be built. They explained that they were acting in good faith and would invite the people of the county to unite with them in building the road, and would like the association of Mr. Knight, objecting, however, to his proposal to take 51 per cent of the stock. They positively denied rumors to the effect that they represented the railroad interests or that their petition was for the purpose of blocking Mr. Knight's franchise and delaying the building of the road.

## ORCHARD HEATER TEST.

PROVO, Feb. 7.—The great loss to the fruit growers of this section from the frost last spring has caused an active interest to be taken by fruit-growers in the snudge pot or orchard heater prevention of damage from frost, and they will be extensively using this spring, or rather be on hand to use it if the frost makes their use necessary. A test has been made here of two kinds of heaters. Twenty heaters of each kind were used, burning for two hours and the temperature was raised from five to 11 degrees within a certain radius of the heaters. It is stated that from 50 to 100 heaters are required for each acre. The cost of fuel is not great. The heater which uses coal will consume about 40 pounds of coal in eight hours, worth about 10 cents, and an oil heater will consume about one and a half gallon of crude oil in the same time and the cost is about the same.

Further tests will be made next week at the Farmers' school, which will be held at the university. W. H. Brereton, president of the State Bank of Provo, said that he would like his bank loan fruit farmers money for the purchase of heaters free of interest for six months where required. There will be many large apple and peach orchards planted on Provo Bench this spring.

## TRANSIENTS GET "TIME."

PROVO, Feb. 7.—Justice of the Peace Noon imposed a 15-day jail sentence on nine vagrants Saturday. They were taken to the jail last night and this morning said they would rather take "some time" than leave the warm quarters of the jail. They were taken before Justice Noon and sentence imposed. The names given were: James McDonald, George Raffan, Frank Lochter, G. B. Scott, E. E. Bowden, James Smith, Larry Kelly, William Lacombe and John Ward.

## CHILDREN'S DAY.

PROVO, Feb. 7.—Saturday there were about 30 boys before Judge Noon in the juvenile court, charged with truancy, disturbing the peace, etc., and in one case with intoxication. They were given advice and caution that their delinquencies could not forever be overlooked, and sent home, promising to be good boys.

## SALEM ELECTRIC CO.

PROVO, Feb. 7.—The Salem Electric company has filed articles of incorporation with the county clerk. The company is organized to operate a plant to furnish electric current for light and power in Salem. The authorized stock is \$10,000, in shares of the par value of \$25 each. The following are the directors and officers: Charles Hanks, president; Peter Johnson, vice president; Lewis A. Bates, secretary; James F. Christensen, treasurer; F. B. Davis, James Banks, and Andrew Peterson.

## CENSUS ENUMERATORS.

PROVO, Feb. 7.—At the examination for census enumerators, held Saturday afternoon in the Parker school under the direction of J. R. Hodson, there were 111 applicants from Provo and 200 of the county; 31 of them were ladies.

## OFF FOR CALIFORNIA.

PROVO, Feb. 7.—The following are among the Provo people who left with the Elks' excursion for California Saturday: Mr. and Mrs. Roger Farrer, Mr. and Mrs. Jos. T. Farrer, Mr. and Mrs. George A. Ross, David Morgan and family, A. H. De Long and Alex Hedquist.

## MOUNT PLEASANT. SANPETE AND SEVIER TEACHERS' INSTITUTE

(Special Correspondence.)  
MT. PLEASANT, Feb. 6.—The Conjoint Teachers' Institute of Sanpete

and Sevier counties was held in the South ward meetinghouse Friday and Saturday. Commencing with the first session Friday afternoon, and the closings one Saturday evening the meetings were intensely interesting and were well attended. Supt. A. U. Miner of Sanpete school was in charge. Prof. Wm. M. Stewart and Dr. John Sundwall of the U. of U. were the principal speakers at the sessions. On Friday evening the teachers were entertained by the public school faculty, by presenting the military drama "Santiago," the teachers being guests.

Saturday afternoon the visiting teachers were further entertained by the teachers of Mt. Pleasant by serving them with refreshments in the basement of the South ward meetinghouse. Saturday afternoon a lively game of basketball was played in the opera house between a Manti team and a Mt. Pleasant team. The local team won with a score of 23 to 24.

## COUNCIL SESSION.

M. PLEASANT, Feb. 6.—The city council met in regular session Saturday evening, Feb. 6, and passed, upon a number of reports from officers, petitions, etc. Mayor Erickson read a message to the council discussing many questions of importance pertaining to the city's welfare.

Another retail liquor license was granted for three months at the rate of \$2,000 per year. Mr. Pleasant is now far from being a "dry town." According to the new ordinance saloons must not have chairs in building, must have no screens, etc. The council in last night's session appointed a committee consisting of Thomas West, Christian Madsen, and J. D. Simpson to examine the saloon buildings and see that they conform to the ordinance in accordance with the ordinance.

J. W. Anderson, Thomas West, and J. D. Simpson, were appointed a committee to consider the howling alarm question of making the dog limit to such places lower than 21 years.

H. Le Roy Nielsen was appointed a member of the housing committee of health; Ole Orelson failing to qualify.

## HYRUM.

### PARTIAL SUCCESS OF PROHIBITION IN "DRY" TOWN

(Special Correspondence.)  
HYRUM, Cache Co. Utah, Feb. 5.—After one month's trial prohibition may be called a success, in so far as the people of Hyrum are concerned. The knowing ones seem able to get something stronger than soda water. The drunks are not so many but are more noticeable on account of the town being "dry."

The proprietor of one temperance resort was recently fined \$50 and costs of court for selling "doped" soda water. Two very prominent boys are under a six weeks' probation for visiting a saloon just south of Logan.

## HYRUM BRIEFS.

There is a probability of the Cache County High fair being held at Hyrum this spring. The coal famine has been quite severe this winter; although there are four companies here handling coal they have been unable to supply the demand. The big wind did no damage in this vicinity other than scattering some hay stacks, but it was followed by very cold weather, the thermometer registering 14 degrees below zero. Russell Smith, son of Mr. and Mrs. Joseph M. Smith, died on the second of last week of pneumonia. He was buried on the third, funeral services being held at the family residence. The deep snow and excessive cold are driving the deer down to the mouth of the canyons, and the game warden is kept busy hunting nimrods who are venison hungry. The warden here wishes to make a correction in Attorney Law's statement that "there was sufficient water left in the Hyrum electric race to keep alive any length of time," which was not the case, and the dereliction of the company was the primary cause of the fish being caught by those who had no right to take them.

## RICHFIELD. CASE OF SMALLPOX IN COUNTY JAIL

(Special Correspondence.)  
RICHFIELD, Utah, Feb. 3.—On entering the county jail this morning, Sheriff Hildahl was surprised to learn that one of the three inmates had a well defined case of smallpox. Dr. Gledhill was summoned and a thorough distinction was made between the sheriff's home as well as at the jail. The patient's name is Elias Barney recently sentenced by Judge Chidister to pay a fine of \$275 and was about to learn the county jail for the part he took in drunken brawl and fight at Elsinore some time ago.

## RICHFIELD BRIEFS.

George Ogden and his estimable wife returned this morning from New York where they have been laboring as missionaries for the past two years. On their return trip they visited St. Louis, Kansas City, Old Mexico, San Francisco and thence to Portland and home. A sumptuous dinner was served at the home of Thomas Ogden on Center street and every thing done to make the home coming of Elder Ogden and wife a joyous event.

Robert Peden, resident of Torey, Wayne county, arrived here this week on his way home from a mission to Second, where he has been laboring for the past two years.

The family stork has recently left baby girls at the homes of Mr. and Mrs. Fred L. Nielson and Mr. and Mrs. John Hansen.

This week's snow storm was the heaviest of any during the winter. The morning after there was about nine or 10 inches of the beautiful on the ground leaving every thing with a wintry aspect.

## BLOOMINGTON.

### REPAIRING CANALS AFTER FLOODS

(Special Correspondence.)  
BLOOMINGTON, Utah, Feb. 3.—This morning the ground was covered with snow, but this afternoon it has mostly disappeared. The weather is not very cold and when the sun shines, it is nice and pleasant. On account of the disastrous floods, the people are loth to repair the canals and dams for fear there will soon be another flood and damage more land or take out dams and canals, as it did recently.

Where the upper end of Price lower field used to be, the river is now running, and it is likely that if another flood comes like the one that recently passed, it will do more damage to the land on the Price side than it did this time, and possibly reach Atkinville, below Price. Bloomington people are preparing to go ahead and repair the canal again, there being about \$200 damage done on the same.

## LOGAN.

The News is Delivered by Carrier in Logan Every Night (Sunday excepted) at 75 Cents Per Month. All payments and complaints regarding delivery should be made to J. M. Blair, Agent for Daily, Saturday and Semi-Weekly News, 155 W. First North Street. Phone 20-B. Bell Office with Cardon Company, Real Estate and Loans, 112 North Main Street. Phones 29 Bell and 155 Ind.

## CACHE COUNTY SCHOOL AFFAIRS

Efforts Under Way to Consolidate School Properties—Other News Notes.

(Special Correspondence.)

LOGAN, Feb. 5.—The county board of education met here today and in addition to passing the bills and attending to the routine matters, took up the question of securing the title to the school property in the county. When school consolidation took place here there was a good deal of opposition to it and many of the trustees refused to turn over the property in their charge, and practically nothing was done in the matter after the question of the validity of the action of the commissioners in consolidating the districts was taken into court. That matter is still in the courts and as some of the old trustees are passing away the board desires to get hold of the property without any legal complications and therefore instructed President Low of the board to report at the next meeting as to the best measures to be taken to effect that end.

## WEST CACHE CANAL CO.

LOGAN, Feb. 5.—The directors of the West Cache Canal company, which operates the big canal on the west side of this valley, met here today and went over the reports and books of the secretary, for the past year, preliminary to the annual meeting on Monday. The report showed the company's affairs to be in good shape. During the year \$2,123 was collected from assessments and of this amount about \$6,000 was spent in making permanent improvements at the head of the canal and in connecting it with Deep Creek, the balance, or rather a good part being used in the payment of interest on the company's bonded indebtedness. The canal covers a little more than 25,000 acres of land and the effort of the company has been to get the canal in shape to furnish water to the whole tract. The past year about 16,000 acres received water from the ditch.

## COSTLY LESSON ON MANNERS.

LOGAN, Feb. 5.—A young fellow from Provo who is attending school here got a lesson in manners in Judge Brangham's court this evening. He was taken out of a pool hall by a policeman who thought he was not of age, and when taken before the judge he proved that he was 21. Before allowing him to go the judge gave him a little fatherly advice, telling him that he did not believe that his parents regarded pool playing as a necessary part of his education, and advising him to abstain from it, and attend to his studies. The boy became insolent in replying and making a fuss when the court imposed a fine of \$5 for contempt.

## LOGAN BRIEFS.

The Boosters' club is considering the matter of inviting the United Commercial Travelers of the state to come to this city for their annual outing this year. The travelers have visited this city twice and it is reported are anxious to come again this year, and it is likely that arrangements will be made to that end. Judge Maughan today admitted to citizenship Harry Egan and Miss Caroline Madsen of this city. Naturalization Agent Anthony was present and he complimented the county clerk on the excellent condition in which he found the naturalization records here. Probation Officer Andrew King reported that he had returned today, and Juvenile Judge H. A. Pedersen gave them the choice of attending the schools here or of going to Ogden to attend the reform school. All the boys were old offenders, but they promised to be good in the future.

Three new cases of scarlet fever were reported in Logan today. Two were in the family of Peter Larsen of the Fifth ward and the other is in the family of Mr. Val Frank. The utmost precautions are being taken to prevent the spread of the disease.

## MONROE.

## OKALEY, IDAHO.

### EXTENSIVE SALE OF BOOZE FROM DRUG STORES

(Special Correspondence.)  
OKALEY, Cassia Co., Idaho, Feb. 2.—Okaley, although a dry town, was extremely wet last Sunday and Monday owing to the arrival in town of a crowd of laborers from the reservoir who secured liquor from one or more of the drug stores, which seemed to have the same effect on them as though it had been purchased at an old time saloon. The offenders were arrested and fined for drunkenness and disorderly conduct. Now the officers are after the persons who wrote and filled the prescriptions. It is said that 20 to 30 empty bottles, which were emptied of the drug liquor, were found in the contents of a local drug store, having been picked up by the town marshal and will be used as evidence in the prosecution of the two parties suspected of ordering the liquor and supplying the same.

## STAKE CONFERENCE.

OKALEY, Feb. 2.—Stake conference was held here Saturday and Sunday. Elders Hyrum M. Smith of the council of twelve and Joseph W. McMurrin of the first council of seventies were present and delivered some of the most stirring discourses ever delivered in this village. The sessions were fairly well attended, although there were very few members present from wards anywhere remotely situated.

## CANADA.

### FIRE DESTROYS PIERSON STABLES AND RESIDENCE

(Special Correspondence.)  
TABER, Alberta, Feb. 2.—Fire recently completely destroyed the Pioneer Livery stables and an adjoining residence, the properties of James Pierson, Jr., located on Hough street. The family had a narrow escape from cremation. Mr. Pierson valued his property destroyed at \$2,700, with an insurance of \$1,500. The family came to Canada from Utah about nine years ago.

## WEDDING BELLS.

TABER, Alberta, Canada, Feb. 2.—The wedding of Miss May Johnson of Spanish Fork, Utah, and William Valgardson of Taber, occurred Thursday, last, at the home of the bride's sister, Mrs. Egan Evanson. Bishop R. A. Val Oryan tied the knot, which made them one. A supper and reception celebrating the event followed. Mr. and Mrs. Valgardson will reside in Taber. Mr. William Palmer of Raymond is here as a Mormon missionary. His lectures are well attended.

## MAGRATH, CANADA.

### ORIN HUBBARD SUFFERS HEAVY LOSS BY FIRE

(Special Correspondence.)  
MAGRATH, Alberta, Feb. 1.—The confectionery and ice cream parlors of Orin Hubbard were burned to the ground about 2 o'clock yesterday morning. The cause is thought to be a defective fur loss about \$2,000 covered by \$1,500 insurance. The board of trade was recently reorganized with D. H. Bingham as president and R. S. Mabee as secretary and treasurer. The farmers attended the re-organization meeting in force and joined the board making up the largest membership in the history of south Alberta boards. John B. Merrill returned from England on the 29th where he has been doing missionary work for the last 27 months. Born to Mrs. Sina Matkin a son. The winter is still fair and beautiful. The old folks party on the 27th was a great success.

THE DESERET NEWS JOB DEPT.

**Volume Five  
Church History**  
Published by the Church With Introduction by Elder B. H. Roberts.

This volume deals with the history of the Church from May 3, 1842, to 31st of August, 1843. It, therefore, covers a period of about sixteen months. The main external events may be set down as follows: First, exposure of the wickedness of John C. Bennett, and his departure from Nauvoo; (2) the charges against the first council of seventies were presented and delivered some of the most stirring discourses ever delivered in this village. The sessions were fairly well attended, although there were very few members present from wards anywhere remotely situated.

Of events that relate more nearly to the Church as an organization there should be mentioned: (1) the introduction of the endowment ceremonies and enlarged instructions on the subject of baptism for the dead; (2) an extension of auxiliary organization by bringing into existence the Young Men's and Women's Society. Another item of great interest in this volume is the manifest development of the character and spirit of strength of the Prophet during this period. The trying experiences through which he passed seemed to unfold new qualities of soul power within him, and to emphasize those which he was known to have possessed.

Bound in cloth \$1.50 postpaid.
